Harbour House Friendship Matchmaking!

Interested in who your most compatible friend is at HH? We have made up a fun little personality test which will help match you with a potential new pal who shares similar interests with you! To fill out the questionnaire let a member of the rec team know you are interested and we will help you fill it out on the 9th. When all of the results are in we will let you know which other resident is your best friendship match!

Happy Valentine's Day

Suggestion Box

Any suggestions for Harbour House?

There is a suggestion box located beside the elevator on the main floor. This box is for residents to put any ideas they have to make HH a better place to live! You do not need to put your name on the suggestion!

Your ideas and suggestions are valued and appreciated and we would love to hear your input!

Sweet Love

Fly away with me, my dove
To a forbidden place where the skittles meet the rainbow.
Lay under the Milky Way with me,
And lets gaze at the star burst together,
Just you and me, sweet bliss.
When the moon begins to eclipse, we'll be in each other's arms.
I never knew how much of a sweet tart you could be.
There are zero people like you.
You're my lifesaver in this unforgiving world.
I love all your little snickers,
And I feel safe when you wrap your butterfingers around me.
I want to share all of your kisses,
Now and later, always and forever
You're all the payday I'll ever need.
I wouldn't trade you for 100 grand
All because I love my sweet gummy bear.
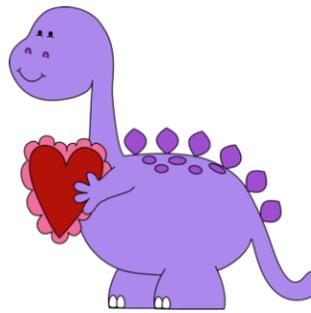

HAPPY BIRTHDAY!
